GENERAL CONDITIONS

1. Observance of Terms

The **insured** must observe and comply with the terms, provisions and conditions of this policy. Any terms and conditions of this policy insofar as they relate to anything to be done or complied with by the **insured**, shall be conditions precedent to any liability of the **insurer** to make any payment under the policy.

2. Premiums

The premiums payable under this insurance may be based on the estimates of exposure during the period of insurance.

Having regard to the basis of calculation of premiums the **insured** shall keep a proper record of exposure. The **insured** shall allow **us** or **our** representatives to inspect such records and accounts at any reasonable time.

3. Record Keeping

The **insured** must take all reasonable care in keeping **business** books, records and accounts. Tax returns are to be submitted without undue delay and accounts and related taxation computations are to be submitted to the proper government department within the statutory period laid down at the end of the relevant period of account.

4. Cancellation

The insurance provided under the Master Policy may be cancelled at any time at the request of the **agent** in writing to **us** and premiums in respect of the Master Policy shall be adjusted on the basis of the **insurer** receiving or retaining premium pro rata. The Master Policy may also be cancelled by the **insurer** giving 14 days notice in writing to the **agent** and the premium shall be adjusted on the basis of the **insurer** receiving or retaining premium pro rata. The cover provided to an **insured** may also be cancelled by **us** giving fourteen days notice sent in writing to the **insured's** last known address and the premium hereon shall be adjusted on the basis of the **insurer** receiving or retaining pro rata premium.

Provided always that no return of premium shall be allowed if the **insured** has given notification of a claim to **us** during the period of insurance.

5. Renewal

If **we** are willing to continue to provide cover and **we** advise the **insured** beforehand of **our** renewal terms, the **insured** authorises **us** to renew this policy and any subsequent policy on expiry in accordance with **our** renewal terms at that time, unless the **insured** advise **us** otherwise before the renewal date.

CLAIMS SETTLEMENT CONDITIONS

1. Consent Precedent to the Insurer's Liability

Our consent to pay **legal expenses** must be obtained in writing. **Legal expenses** incurred before such consent is given will not be covered. Consent will be given if the **insured** can satisfy **us** that:

- i) there are reasonable prospects of successfully pursuing or defending the **legal proceedings**;

- and
- ii) it is reasonable in all the specific circumstances of the case for **legal expenses** to be provided.

In circumstances where **we** have chosen a representative to act on the **insured's** behalf **we** will pay **legal expenses** incurred for providing the initial assessment of the claim irrespective of the prospects of success or whether the claim is covered under this policy.

Where the **insured** has chosen their own representative any **legal expenses** incurred in providing initial assessment shall only be covered where there are reasonable prospects of successfully pursuing or defending the **legal proceedings** and the claim is covered under all other terms and conditions of the Policy.

The decision to grant consent will take into account the advice of the **insured's appointed representative** as well as that of **our** own advisers. **We** may require, at the **insured's** expense, an opinion of Counsel on the merits of the **legal proceedings**. If the claim is subsequently admitted the **insured's** costs in obtaining such an opinion and providing such advice will be covered under this insurance.

If the **insured** decides to commence or continue **legal proceedings** for which **we** have denied support under Claims Settlement Condition 1(i) and is successful, **we** will pay **legal expenses** as if **we** had given **our** consent in the first instance.

2. Minimising Claims or Legal Proceedings

The **insured** must take all reasonable measures to minimise the risk or likelihood of claims, and the cost of **legal proceedings**. This includes, but is not limited to, the **insured** and any **agent** or **appointed representative** of the **insured** complying with any pre-action, costs or other protocol that applies to any **legal proceedings** which form the basis of a claim under this policy.

3. Arbitration

Any dispute between the **insured** and **us** in respect of this policy maybe referred to a single arbitrator who shall be either a solicitor or barrister agreed upon by both parties. Failing agreement, the arbitrator shall be nominated by the President of the appropriate Law Society, Bar Council or other professional body within the **territorial limits**.

The party against whom the decision is made shall meet the costs of the arbitration in full. If the decision is not clearly made against either party the arbitrator shall have the power to apportion costs. If the decision is made in favour of **us**, the **insured's** costs shall not be recoverable under this policy.

4. Fraudulent Claims

This policy shall be voidable at the discretion of the **insurer** if the **insured** makes any request for payment under this policy:

- i) knowing it to be fraudulent or false in any way; or
- ii) in circumstances where the **insured** ought reasonably to have known that the claim was false or fraudulent in any way; or
- iii) where there is collusion between the parties to this dispute.

Any premiums paid shall be forfeited.

5. Insolvency of Insured

If the **insured** is insolvent when a claim is notified to **us** or becomes insolvent during the course of any **legal proceedings**, to which the **insurer** has given support, the **insurer** has the right to refuse to admit or immediately to withdraw its support from a claim. The **insured** shall be deemed insolvent upon the appointment of an office-holder within the meaning given by section 233 (1) or 372 (1) of the Insolvency Act 1986.

6. Notification of Claims

It is a condition precedent to the **insurer's** liability that **we** must be notified in writing immediately the **insured** is aware of any actual or alleged act, omission or dispute which has given or may give rise to any **legal proceedings** involving the **insured**. If the **insured** fails to notify **us** of any actual or alleged act, omission or dispute during the period of insurance any claim arising from such actual or alleged act, omission or dispute will not be admitted.

Where such notification has been given, the **insurer** agrees to treat any subsequent **legal proceedings** in respect of the circumstances notified as though the **legal proceedings** had been made or brought during the period of insurance.

7. Appeal Procedure

Our consent must be obtained if the **insured** wishes to appeal against the judgment of a **court**. A written application must be submitted to **us** at least ten working days before the final date for lodging the appeal. The application must state the reasons for bringing the appeal. **We** will inform the **insured** of **our** decision.

The **insured** must co-operate in an appeal against the judgment of a **court** at **our** request.

8. Conduct of Legal Proceedings

a) Nomination of the appointed representative

- i) In respect of any claims which, if they were to proceed to a hearing, would be heard in the Employment Tribunal, then:

The **insured** must use our approved consultant as the **appointed representative**.

- ii) In respect of all other claims covered by the policy:

Where Court papers have been issued (or received), or where there is a conflict of interest, the **insured** is free to choose a suitably qualified **appointed representative**.

In selecting the **appointed representative** the **insured** shall have a duty to minimise the cost of **legal proceedings**

We may choose not to accept a representative chosen by the **insured**. If this occurs **we** will explain why. If there is a disagreement over the choice of representative in these circumstances, the **insured** may choose another suitably qualified person and submit the name of that person to **us** for consideration.

In all circumstances except those described in 8 a) (ii) above, **we** shall choose a representative to act on the **insured's** behalf.

If the **insured's** choice of representative has to undertake work to familiarise themselves with the work already undertaken on the case, **we** will not pay for this work to be done. **We** will not pay the **insured's** choice of representative more than **we** would pay **our** own choice of representative.

Any representative is appointed in the **insured's** name to act for the **insured**.

- iii) In the period before **we** agree that **legal proceedings** are necessary **we** reserve the right to seek to obtain a settlement on the **insured's** behalf. The settlement will be subject to the **insured's** agreement, which the **insured** will not unreasonably refuse.

b) All information to be given to the appointed representative

The **appointed representative** must be given all information and assistance required. This must include a complete and truthful account of the facts of the case and all relevant documentary or other evidence in the **insured's** possession. The **insured** must obtain or execute all documents as may be necessary and attend any meetings or conferences when requested.

c) Access to the appointed representative

We are entitled to obtain from the **insured's appointed representative** any information, document, or advice relating to a claim under this insurance, whether or not privileged. On request the **insured** will give any instructions necessary to ensure such access.

d) Instruction of counsel or appointment of expert witnesses

If the **appointed representative** wishes to instruct counsel or appoint expert witnesses **we** will not unreasonably withhold **our** consent. The names of counsel or the expert witnesses must be submitted to **us** together with an explanation of the necessity for such action.

e) Where the amount in dispute is unlikely to exceed the small claims track limit

Where the amount in dispute is unlikely to exceed the small claims track limit **we** may carry out **our** own investigation and may attempt to negotiate a settlement. The **insured** will not unreasonably withhold agreement to any such settlement.

f) Our right to pay the insured instead of paying legal expenses

We may elect to pay the **insured** a reasonable sum not exceeding the realistic estimated value of any claim instead of paying any **legal expenses**. Such a decision will be entirely at **our** discretion and will be in full and final settlement of the **insured's** claim.

g) Offer of settlement

The **insured** must inform **us** in writing as soon as an offer to settle **legal proceedings** is received or a payment into **court** is made. The **insured** will not unreasonably withhold consent to the **appointed representative** making an offer to settle the **legal proceedings**.

The **insured** must not enter or offer to enter into any agreement to settle without **our** prior written consent. Any such agreement must take into account the **insurer's** interest in the recovery of costs.

If the **insured** unreasonably withholds agreement to a settlement **we** reserve the right to withdraw **our** support.

h) Withdrawal by the insured

Where the **insurer** has provided an indemnity for **legal expenses** and the **insured** withdraws from the **legal proceedings** without **our** agreement, the **insurer** shall be entitled to reimbursement of all **legal expenses** paid.

i) Payment of legal expenses

All bills relating to any **legal proceedings** which the **insured** receives from the **appointed representative** should be forwarded to **us** without delay.

Bills must be certified by the **insured** to the effect that the charges have been properly incurred and that **we** are authorised to settle on the **insured's** behalf. Gross sum bills must be accompanied by a breakdown setting out the work done and rates applied.

If requested the **insured** must ask the **appointed representative** to submit the bill of costs for assessment or certification by the appropriate Law Society or **court** in accordance with the provisions of the Solicitors Act 1974 and/or the Solicitors Remuneration Order 1994.

The provision of indemnity for any **legal expenses** does not imply that all **legal expenses** will be paid. If the **insured** is in doubt **we** should be consulted.

The **insured** must not, without **our** written consent, enter into any agreement with the **appointed representative** as to the payment of **legal expenses**.

j) Recovery of costs and expenses

The **insured** through the **appointed representative** shall be responsible for the repayment to the **insurer** of any:

- i) award of costs made in favour of the **insured**;
or
- ii) costs agreed to be paid to the **insured** as part of any settlement.

When the total amount of **legal expenses** incurred is within the **limit of indemnity**, the **insured** and the **insurer** will share any **legal expenses** that are recovered according to the proportion paid.

Where the total cost of the legal action exceeds the **limit of indemnity**, the **insured** and the **insurer** shall have priority over any other parties with an interest in any costs recovery. The **insured** and **insurer** shall share such recovery according to the proportion paid, subject to the **insurer's** right of recovery being restricted to the **limit of indemnity**.
